

Foot Care Nurse

The North Central Community Association is looking for a Foot Care Nurse to work in the North Central Health Office. This is a part time (24 hours/week) position with flexible daytime hours. The Health Nurse's main focus will be on foot care.

The Organization

North Central Community Association has been a leader in community development since the mid 70's. As one of Regina's most active community associations, it represents some of the most diverse population in the city today. Although economic and social inequalities still continue, North Central has risen above its adversity to become leader in social and economic reform.

Qualifications

- Licensed Practical Nurse/Registered Nurse with knowledge in diabetes and hypertension.
- Certificate in Foot Care / Podiatry
- Registered with SALPN / SRNA
- Experience working with seniors
- Skills in Office Management, including record keeping
- Ability to work independently, with a minimum of supervision
- Demonstrated ability to be involved in community activities and an attitude of community awareness and concern.
- Ability to work with people including volunteer boards, committees and agencies
- Good verbal and written communication skills and good listening
- Knowledge of North Central is an asset
- A resident of North Central is an asset
- Valid Drivers License and a reliable vehicle

Duties

- Monitoring of Diabetics and Hypertensives
- Foot care, including padding and screening
- Act as a referral to physicians when needed
- Receive referrals from medical professionals
- Occasionally provide transportation for clients
- Monitor Seniors at weekly community meals
- Provide Home visits particularly regarding Foot Care
- Provide health related information
- Assist when necessary with seniors programming and special events including Care and Share meals.
- Building and maintaining clientele
- Keeping client records
- Other related duties as assigned

Employment Type: Part Time Position (24 hours)

Remuneration: \$22 per hour
